

# Jumpstart Your Career with RadixBay

## ABOUT RADIXBAY

RadixBay offers a broad range of enterprise-grade IT services. Our end-to-end solutions help businesses to quickly leverage new business opportunities, improve operations, and reduce risk.

Just starting your career? Not exactly sure what you want to do in IT? RadixBay will help you to fast track your career.

- Choose from different career paths
- Learn from industry experts
- Gain experience with the latest technologies
- Get on-the-job mentoring

## Are you ready to work for a company that partners with you on your career goals?

It's pretty simple - when you're successful - we're successful.

We are looking for people that are passionate about IT and interested in learning about new technologies. RadixBay is a rapidly growing, mature, stable services provider with a business office in Charlotte, NC. Our service delivery center is in Tabor City, NC, which is just a short drive from the Carolina coastline.

You'll get a chance to work with the latest cloud and on-premise technologies - and become a key part of our growth strategy.

From cloud data infrastructure support and application development to business analysis, project management, and Salesforce administration, our wide range of services provide career opportunities in many areas.

"Because we support a wide range of clients, they all have unique business needs and leverage different technologies. I'm always learning new things. RadixBay is providing me with the skills and expertise I need to achieve my career goals."

**Markell**

"Working for RadixBay has been a great learning experience. If you want to be challenged and work with the latest cloud and on-premise platforms, this is a great place to start your career in IT."

**Jack**

## Working at RadixBay:

What makes a great place to work? Team culture and a fun work environment are important for building a successful tech services business.

If you want to start your career with a company that is interested in helping you grow your skills and achieve your goals, please contact [info@radixbay.com](mailto:info@radixbay.com)

# RadixBay's Tabor City Service Delivery Center

## TABOR CITY

Tabor City is in a semi-rural area that has both affordable home prices and a low cost of living.

### Tabor City Amenities:

- Lake Tabor is a 100+ acre recreational lake that features a bait and tackle shop, piers, boat launches, picnic areas and ball parks.
- Close to the highly-rated Diamond Back, Long Bay, and Crown Park Golf Courses
- The Fair Bluff River Walk is a beautiful, elevated river walk that is open and free to the public. The walk takes you around the Lumber River and is more than a mile long. The Lumber River is one of NC's Top 10 Natural Wonders.

### Working at RadixBay's Tabor City Service Delivery Center.

Benefit from working in a small-town, family oriented atmosphere with quick access to world-class beaches and entertainment:

- **35 Miles - Sunset Beach, NC**  
Named as "One of Best Beaches in the World" by National Geographic
- **35 Miles - North Myrtle Beach, SC**  
Known for its golf courses, natural beauty, and upscale atmosphere
- **40 Miles - Myrtle Beach, SC**  
A well-known top destination for families across the country. The area is home to an abundance of seaside attractions, dining, entertainment, shopping, and more.

Tabor City is also 1 hour away from the port city of Wilmington, and 2 1/2 hours from Charleston and Charlotte.

If you're looking to relocate, RadixBay will help you select an area that meets your financial and family requirements and personal likes and dislikes. Many RadixBay team members commute to the delivery center from the coastal areas, while others prefer to live in more quiet and cost-effective locations between the coast and Tabor City.

### Build Your Career at RadixBay

It's a pretty simple premise: Happy Employees = Happy Customers.

If you want to work in a challenging environment, learn the latest technologies from industry experts, and build a career in IT, please contact RadixBay at [info@radixbay.com](mailto:info@radixbay.com).
